PROFESSIONAL SUMMARY

Senior Project Manager and PMO Lead with 13+ years delivering Rs. 100+ Crore urban infrastructure and digital transformation programs for government and PSU clients. Domain expert in Intelligent Traffic Management Systems (ITMS), IP Surveillance, Safe City, and Smart City initiatives. Proven expertise in end-to-end Program Management, PMO Governance, stakeholder engagement across 50+ stakeholders, and BOQ/RFP/DPR-driven execution. PMP certified; proficient in Agile, Waterfall, and Hybrid methodologies. Consistent record of on-time, within-budget delivery with measurable system uptime (99.5%+) and cost efficiency improvements (20%+ faster deployment).

CORE COMPETENCIES

Program & Portfolio Management

PMO Governance • MIS Reporting • Program Delivery • Multi-vendor Coordination • Milestone Tracking

Project Management & Governance

Digital Transformation Strategy • IT Infrastructure Management • RFP/DPR/BOQ Preparation • EOI Development • Contract Governance

Domain Expertise

ITMS • ATCS • ICCS • ANPR • RLVD • IP Surveillance • IVMS • VAMS • Smart City Delivery • Safe City Implementation

Risk & Quality Management

RAID Analysis • Risk Register Development • Change Control • SLA Governance • Performance Monitoring • Quality Assurance

Financial & Resource Management

Budget Planning • CAPEX/OPEX Billing • Cost Estimation • Financial Forecasting • Procurement Governance • Vendor Management

Leadership & Stakeholder Management

Team Leadership (65+ members) • Cross-functional Coordination • Government Relations • Executive Communication • Stakeholder Engagement

Methodologies & Tools

Agile • Scrum • Waterfall • Hybrid Methodology • JIRA • MS Project • MS Excel (Advanced) • ServiceNow (HPSM) • NMS Platforms

PROFESSIONAL EXPERIENCE

Project Lead *Awzpac Technology & Services Pvt. Ltd. | Digital India Corporation & GSI, Delhi*

December 2024 – Present (6 months)

- Established PMO governance frameworks, milestone tracking, and executive MIS dashboards for national-level digital programs under Digital India initiative
- Led EOI, DPR, and RFP preparation with end-to-end bid governance ensuring statutory and technical compliance; reduced bid preparation cycle by 20%
- Controlled program budgeting, financial forecasting, and procurement governance—zero budget overruns across all active programs
- Implemented RAID-based risk registers and dependency tracking; reduced risk escalation incidents by 35% across multi-stakeholder programs
- Prepared IT infrastructure roadmap and digital transformation strategy for Delhi Development Authority (DDA)

Project Manager *CMS Computers Limited | Indore Smart City Development Ltd. (ISC DL), Indore, MP*

February 2023 – October 2024 (20 months)

- Delivered Rs. 50+ Crore Intelligent Traffic Management System (ITMS) for Indore Smart City— on-time, within-budget delivery achieving 99.5% post-go-live system uptime
- Governed contracts and SLAs across 10+ vendors; identified and mitigated 15+ delivery risks—zero cost overruns and schedule slippages
- Managed centralized PMO across 4 work streams: Risk & Controls, Security Systems, and Digital Service Delivery
- Prepared BOQs, cost estimates, and procurement plans; maintained 100% milestone adherence against project baseline
- Led 30+ cross-functional team members through complete project lifecycle; developed SOPs and knowledge base—reduced operational dependency by 40%

Project Manager *Sai Defence System Pvt. Ltd. | MP Telecom Police Department & TCIL, Bhopal, MP*

April 2022 – February 2023 (11 months)

- Directed state-wide rollout of IP-based CCTV Surveillance across 1,615+ MP Police Stations—managing full lifecycle from design to Operations & Maintenance (O&M)
- Led 1,615+ member multi-district team; achieved 20% faster deployment versus baseline through performance-based task allocation
- Delivered structured MIS dashboards and executive reports to senior IPS-level government stakeholders—zero communication escalations
- Closed Rs. 30+ Crore CAPEX billing cycle within contractual timelines; enforced formal change control for all scope and cost variations

IT Consultant – Independent Engineer *Theme Engineering Services Pvt. Ltd. | National Highways Authority of India (NHAI), NH-66, Karnataka*

April 2019 – March 2022 (3 years)

- Provided comprehensive IT consultancy for Operations & Maintenance of NH-66 4-laning (NHDP-IV); maintained 98%+ SLA compliance across all toll and highway traffic systems
- Supervised ITS, Tolling, AVCC, CCTV, PTZ/ANPR Camera, Traffic Management System (TMS), and Highway Traffic Management System (HTMS) installations
- Commissioned ICD 2.0 at 3 Toll Plazas—30% reduction in system downtime; managed Network Management System (NMS) via HPSM for fault tracking and uptime monitoring

Assistant Project Manager *Technosys Security System Pvt. Ltd. | Ujjain Smart City & MP Police, Indore, Ujjain, Bhopal*

February 2015 – March 2019 (4+ years)

- Led CCTV Surveillance and ITMS (with Adaptive Traffic Control System—ATCS) rollout across 50+ junctions under MP Safe City Project
- Implemented RLVD, ANPR, SVDS (Speed Violation Detection), FRS, ICMS, IVMS, and ICCS systems—Rs. 100+ Crore project delivered on schedule
- Owned complete 3-Year O&M phase including CAPEX/OPEX billing, SLA compliance, and performance reporting; trained 100+ field personnel

Project Engineer *Medhaj Techno Concept Pvt. Ltd. | Rural Electrification Corporation (REC), MP, UP & Assam*

October 2012 – January 2015 (2+ years)

- Delivered Project Management Consultancy (PMC) services for multi-state electrical infrastructure projects—third-party inspection, quality audits, and DPR preparation
- Supervised 765/440 kV Power Grid Substation earthing works; led GPS mapping and distribution network planning per REC standards

KEY ACHIEVEMENTS & HIGHLIGHTS

- Delivered Rs. 50+ Crore ITMS Program for Indore Smart City—99.5% system uptime, 100% milestone adherence, zero cost overrun
- Directed state-wide CCTV rollout across 1,615+ MP Police Stations—improved surveillance coverage by 40%; closed Rs. 30+ Crore CAPEX billing on schedule
- Commissioned ICD 2.0 at 3 NHAI Toll Plazas on NH-66—reduced toll system downtime by 30%, SLA compliance at 98%+
- Executed Ujjain Safe City (RLVD, ANPR, SVDS, ICCS) across 50+ junctions—Rs. 25+ Crore project with full 3-Year O&M delivered on schedule
- Managed digital infrastructure roadmap for Digital India Corporation & GSI—20+ stakeholders, zero budget escalation
- Led 65+ member multi-district team; achieved 20% faster deployment versus planned baseline through competency-based task allocation

EDUCATION

- Master of Science (M.S.) – Data Science & Artificial Intelligence European Global Institute of Innovation & Technology (In Progress)
- Bachelor of Engineering (B.E.) – Electrical & Electronics Engineering Shiv Kumar Singh Institute of Technology & Science, RGPV Bhopal Graduated: 2012
- Higher Secondary (12th) Shree Hansdas H.S. School, M.P. Board Graduated: 2008

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

Project Management Certifications

- Project Management Professional (PMP) – December 2022, renewed December 2025
- Agile Scrum Master Foundation Certification – May 2024
- Contract Management Certification – December 2024
- Project Management Assessment Certification – June 2024
- Project Management Fundamentals by IBM – December 2024
- ISO/IEC 27001:2022 Lead Auditor Certification

AI, Data & Emerging Technology

- Generative AI for Project Managers
- Prompt Engineering for Project Managers
- Introduction to Data Analytics – December 2024

TECHNICAL SKILLS & TOOLS

Project Management Tools:

- JIRA • MS Project • MS Excel (Advanced) • Power BI • ServiceNow (HPSM)
- Office & Collaboration Platforms:
- MS Office 365 • Google Workspace • SharePoint • Teams
- Network & Infrastructure Monitoring:
- NMS Platforms • HPSM • Traffic Management Systems • CCTV Surveillance Platforms
