

# YASH SAHEBRAO GAWADE

Presales & Bid Management | Estimation | Proposal Coordination | ELV / ICT Solutions

Pune, Maharashtra, India | +91 8329242204 | gawadeyash077@gmail.com | linkedin.com/in/yash-sahebrao-gawade-150606171

## PROFESSIONAL SUMMARY

Presales and bid management professional with experience across estimation, tender response support, solution design, BOQ/BOM development, technical proposals, vendor coordination, and documentation readiness for large-scale ELV, ICT, and physical security opportunities. Experienced in evaluating client requirements, preparing compliant technical-commercial inputs, coordinating with cross-functional stakeholders, supporting RFIs/RFQs, and applying value engineering to optimize solution and cost outcomes. Backed by an **MBA in Operations Management** and **Six Sigma** certifications, with strong analytical, communication, and stakeholder management capabilities.

## CORE COMPETENCIES

- |                                          |                                                 |
|------------------------------------------|-------------------------------------------------|
| • Presales Support & Bid Coordination    | • RFI / RFQ / Tender Response Support           |
| • Proposal Development & Documentation   | • BOQ / BOM Preparation & Cost Estimation       |
| • Stakeholder & Vendor Coordination      | • Technical Clarifications & Compliance Reviews |
| • Value Engineering & Commercial Support | • Risk Identification & Documentation Control   |
| • Cross-Functional Team Collaboration    | • Microsoft Office 365, SAP CPQ, Ariba, Ivalua  |
| • AutoCAD, Bluebeam, Adobe Pro           | • Process Improvement & Problem Solving         |

## PROFESSIONAL EXPERIENCE

### Honeywell — Pune | Estimation Engineer I / Project Coordination (ELV, ICT & Physical Security) | Aug 2024 – Present

- Evaluate customer requirements and support presales solutioning for ELV, ICT, and physical security opportunities across UAE, Qatar, Kuwait, and Oman.
- Prepare detailed BOQ/BOM and estimate packs covering products, labor, preliminaries, and technical clarifications while aligning with standards and local authority guidelines.
- Coordinate with operations, product teams, suppliers, and installers to support scope closure, documentation readiness, and execution preparedness.
- Apply value engineering to optimize proposed solutions while protecting technical compliance, delivery commitments, and commercial viability.
- Support sourcing and supplier engagement through quotation evaluation, price benchmarking, and negotiation inputs aligned to customer satisfaction and financial targets.

### Johnson Controls Inc. — Pune | Application Engineer (Security & ELV) | Oct 2021 – Aug 2024

- Designed security and ELV solutions for large-scale project opportunities and supported tender evaluation, BOQ development, engineering cost estimates, and proposal documentation.
- Prepared AutoCAD drawings, BOMs, and technical proposals while supporting scope clarifications and stakeholder review cycles.
- Coordinated with third-party suppliers and internal teams on product selection, technical compliance, and documentation readiness for bid and proposal activities.

## TOOLS & TECHNICAL SKILLS

- Microsoft Office 365, SAP CPQ, Ariba, Ivalua, AutoCAD, Bluebeam, Adobe Pro
- CCTV: Milestone, Genetec, Hanwha, Axis, Avigilon, Pelco
- Access Control: LenelS2, Software House, Kantech, Genetec
- Intrusion Detection: DMP, DSC, Honeywell
- ICT / Structured Cabling & Networking Components: Cisco, HPE and related ecosystem

## EDUCATION

- **MBA, Operations Management** — Symbiosis School of Distance Learning, Pune | 2023 – 2025
  - **Bachelor of Engineering, Electronics & Telecommunication** — AISSMS Institute of Information Technology, Pune | 2017 – 2021
- 

## CERTIFICATIONS

- Six Sigma Black Belt (Udemy, 2026)
  - Six Sigma Green Belt (AIGPE, 2026)
  - Software House C•CURE 9000 Level 1
- 

## AWARDS & RECOGNITION

- Honeywell — Silver Certificate for Driving Accountability & Passion for Winning (Q1 FY25)
- Honeywell — Voice of Customer Award for maximum customer satisfaction (Q3 2025)
- Johnson Controls — Stand-Out Award (Q1 FY24)
- Best Research Paper Award — 2018 & 2020
